#### CHAIRMAN'S REPORT FOR THE YEAR ENDED 31 JANUARY 2011

The Association continues to rent accommodation to people of retirement age who are connected with the village.

Towards the end of 2009 the East Horsley Doctors Practice gave up their lease on the Satellite Surgery space that they rented from us and the Association's decision was to convert this space including a large double garage into a new two bedroom unit. The work involved has been extensive and has continued through the winter of 2010 with expected completion in the summer of 2011. With these major building works the opportunity was taken to upgrade South Lodge including all the windows and the roof. This work has also allowed us to properly meter all water supplies to the individual flats at Crossways which will help greatly in terms of our tenants' outgoings.

The other major improvement we have carried out is to replace all the windows in the Alms House. We believe this was last done in the 1960's and we are very hopeful that our new hardwood double glazed windows will last for 50 years if not longer.

Both of these projects have been carried out with our avowed intention to upgrade and renovate our buildings with the long-term in mind, making sure that all materials used are of the best quality and concentrating on trying to reduce the future maintenance of our properties which considering their age is not a straight forward task. These building works have required considerable input from the committee and above all Keith Walker, who has put a lot of time and effort into ensuring we get the results we want. His management of the project has been greatly appreciated.

The Association continues to be run by an unpaid volunteer committee which carries out all management of the Association. It is through this gesture that the association is able to keep its rent exceedingly competitive in comparison to other residential accommodation being offered for rental.

We were sad to lose during the year, Mrs Nicholls and Mrs McGrath and send our condolences to their family. We were pleased to welcome Mrs Milner as a new tenant and confirm that at the end of the year we have three units unoccupied, one of which is involved in the major renovation at Crossways. We are hopeful that the milder spring weather will soon have these units fully let.

We are greatly saddened to report the death of Mary Hughes-Hallett on 5th April 2011 after a long illness; she had been a committee member since 1985. The management of our gardens was her responsibility for those 26 years. In looking after the gardens, she was also an important contact, friend and confidante of many of our residents who valued her advice and encouragement. We pass on our sympathy and condolences to the whole family.

*i*Signed

N Jubert Chairman

#### STATEMENT OF COMMITTEE'S RESPONSIBILITIES

Legislation requires the committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Association and of the profit or loss of the Association for that period. In preparing those financial statements, the committee is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Association will continue in business.

The committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable it to ensure that the financial statements comply with the Friendly and Industrial and Provident Societies Act 1968. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### NOTES TO THE FINANCIAL STATEMENTS

#### FOR THE YEAR ENDED 31 JANUARY 2011

#### 1. ACCOUNTING POLICIES

The Society is registered under the Industrial and Provident Societies Act 1965 and is regulated by the Financial Services Authority.

The principal accounting policies of the Association are set out below:

These financial statements are prepared under the historical cost convention in accordance with applicable accounting standards.

#### Fixed Assets - Housing Properties (Note 2)

These are stated at cost which includes the cost of freehold land, payments to building contractors and payment of professional fees relating to the freehold property development. The development cost of Flat 7 at Crossways and Flat 8 at Rose Cottage includes interest charged in the mortgage loan to finance the scheme.

#### Depreciation of Housing Land and Buildings

The estimated useful economic life of the tangible fixed asset exceeds 50 years. The society considers therefore that the residual value of the freehold property, based on prices prevailing at the balance sheet date, will equal cost. There is therefore, no depreciable amount and there is no depreciation charge in the accounts.

#### **Designated Reserve**

This represented a reserve for major works to the housing properties; it was utilised for extensive property conversion commitments to Crossways surgery during the year.

#### Capital Reserve

This represents transfers made during the life of the Association relating to investment income.

#### **Social Housing Grants**

When developments have been financed wholly or partly by Social Housing Grants (SHG), the cost of these developments has been reduced by the amount of grant received.

#### Turnover

Turnover represents rents receivable net of rent losses from voids.
