We will review the notification and confirm whether it is valid. Please note – societies can only change the end-date of their current or future year of account. Societies cannot change a previous year-end date retrospectively.

Please note that this form, including any details provided on the form, will be made available to the public through the Mutuels Public Register:

## Section 2 – About this application

<b>Society name</b>	Black Bull Gartmore Hub & Pub Limited
<b>Register number</b>	7821

## Section 3 – New financial year-end

### 3.1 Will this change shorten or extend your current financial year?

Shorten  Please go to question 3.3 below

Extend  Please go to question 3.2 below

**3.2 Have you extended your financial year any time within the last five years?** A society cannot extend its financial year if it has already extended its financial year any time within the last five years.

Yes

No

Please also note that you cannot extend your financial year to such an extent that your financial year would last longer than 18 months.

### 3.3 On what day and month do you want your financial year to end?

For example: specifying 31 March below will mean that the society's current and future financial years will begin on 1 April and end on 31 March each year.

3	1	August
---	---	--------

### 3.4 What is the reason for the change?

We purchased the property and started operational trading on 2<sup>nd</sup> September 2019, so it seems logical for the first financial year to cover the lead up period to this when there were fewer financial transactions
