Freegle Ltd Annual Financial Report and Accounts 6th April 2014 to 5th April 2016

Note - The annual accounts to 5th April 2015 had assets of £96 in the bank, comprising £86 of share capital and £10 of reserves. The reserves were as a result of £10 of donations, £1,000 grant towards the mobile phone app, and £1,000 expenditure on the mobile phone app.

For the annual accounts to 5th April 2016, we had a total income of £40,393. The majority of this was a £35,218 win from Microsoft (\$50,000). The remainder included £891 from Give As You Live, £516 from advertising and £3,768 from donations from Freegle volunteers and local group members.

Expenditure was £11,972. The biggest cost was £6,333 on development of the new platform FD3. Other costs included media/publicity £1,593, a £1,000 contribution to the re-use depot in Brighton. IT costs of £2,289 including £1,000 on the mobile phone app, £320 on a lap top computer and Public Liability Insurance £371.

This left us with £28,421 and we had a surplus brought forward from last year of £10. The assets of Freegle UK were transferred to Freegle Ltd during the year — this was a total of £20,329 and is covered by a separate report and accounts. Freegle Ltd therefore ended the year with £48,760 reserves of which £3,190 is restricted funds (see note 3), leaving £45,570 as unrestricted funds.

Notes to the Accounts

Note 1 - Basis of Accounting.

These accounts are prepared on a cash basis. This means that income and expenditure is only recorded when cash has been received or paid out.

Note 2 - Related Parties.

During the year the company purchased services valued at £7,333 from Edward Hibbert and services valued at £1,054 from Cat Fletcher who are both Directors. All of these purchases of services were at commercial rates and there were no outstanding balances at the balance sheet date.

Two Directors received reimbursements for goods and services purchased for the association during the year – Edward Hibbert £609 and Cat Fletcher £539.

Note 3 - Restricted Funds.

In February 2013, we received a donation of £5,500 restricted to making Freegle sustainable. We had spent £1,454 on server migration to free hosting, supporting the Give As You Live campaign, the additional costs of converting Freegle to an IPS, and this year £1,000 on developing the mobile app, leaving £3,046 unspent.

In February 2014, we received a donation of £5,000 restricted to Freegle media spend and conditional on the receipt of fortnightly media reports. This has now all been spent

We are also holding £144 which belongs to Lewes Freegle.

Note 4 - Reserves.

We aim to keep at least one year's basic running costs in unrestricted reserves.

Independent Examiner's Report

I report on the accounts of Freegle for the year ending 5th April 2015, set out above. The organisation is not a registered charity, however, I have carried out an independent examination based on the procedures required for a registered charity.

Basis of Independent examiners report:

An examination includes a review of the accounting records kept by the organisation and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanation from the organisations representatives concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

Independent Examiners Statement:

In connection with my examination, no matter has come to my attention:

- 1. which gives me reasonable cause to believe that in any material respect the organisations representatives have not met the requirements to ensure that:
 - Proper accounting records are kept; and
 - Accounts are prepared which agree with the accounting records; or
- 2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Freegle UK Financial Report and Accounts 6th April 2015 to 26th November 2015

Freegle UK had a total income of £3,761. This included £600 from the Big Lottery Fund, £1,355 from Give As You Live, and £1,806 from donations from Freegle volunteers and local group members.

Expenditure was £1,421, the biggest cost being £1,300 on the Sustain Eden project and the rest mainly licence and admin costs.

This left us with £2,340 and we had a surplus brought forward from last year of £17,989, so a total of £20,329. £15,854 was transferred into the Freegle Ltd bank account, leaving a balance of £4,475, and the bank account itself was transferred to Freegle Ltd on 26th November 2015, leaving Freegle UK with nil reserves.

Note 1 - Basis of Accounting.

These accounts are prepared on a cash basis. This means that income and expenditure is only recorded when cash has been received or paid out.

Note 2 - Related Parties.

There were no related party transactions during the year.

Note 3 - Restricted Funds.

In February 2013, we received a donation of £5,500 restricted to making Freegle sustainable. We spent £1,484 to date on server migration to free hosting, supporting the Give As You Live campaign and the additional costs of converting Freegle to an IPS, leaving £4,016 now transferred to Freegle Ltd.

In February 2014, we received a donation of £5,000 restricted to Freegle media spend and conditional on the receipt of fortnightly media reports. The remaining £664 has been transferred to Freegle Ltd.

The Big Lottery Fund Grant was fully spent during the accounting period.

Freegle UK was holding £144 which belongs to Lewes Freegle; this has now been transferred to Freegle Ltd

Note 4 - Reserves.

Freegle UK was wound down and all its assets transferred to Freegle Ltd, so reserves are now nil.

Freegle Ltd Forecast - June 2016

This is a summary forecast for Freegle Ltd with starting values based upon June 2016, until the end of Tax year Mar 2018.

The starting balance includes £117 of share capital.

Income commentary

Freegle has a steady income primarily from individual donation via the member usage donation, plus a regular income from monthly donations made mostly from moderators. Gift aid is also claimed periodically. In addition, we have forecast occasional income from grants and prizes, although these are less certain. We are also looking to generate some income from the newsletter via advertisements.

Expenditure commentary

I have broken down the expenditure types to show more clearly where Freegle is spending its money.

Platform Development and Support Service: We are paying Edward Hibbert for a re-development of the central platform. The forecast also shows an ongoing support cost (estimated as this has not been contracted) for that platform to maintain its operation rather than enhance it further. This expenditure does not include the hosting of the services we use which are currently taken for no charge from Bytemark and Yahoo.

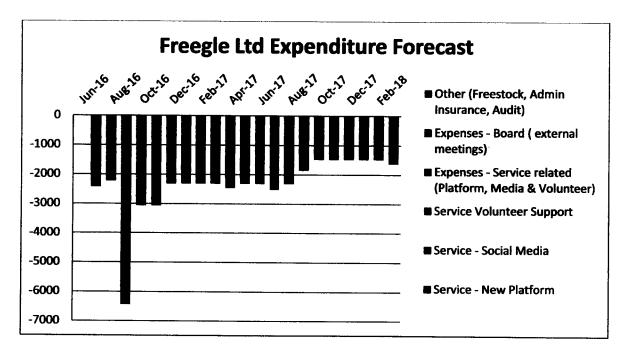

Social Media Service: This service provided by is to maintain a National social media presence with a response to enquiries made. This has been forecast on an ongoing basis, currently with no service cost increase, which may be unrealistic.

Volunteer Support Service: This service has yet to be contracted, and has been forecast on a one year basis as it is a new service for Freegle.

Service Related Expenses: To enable the services there are necessary expenses such as buying continued Internet domain names, social media tools and the like. The forecast is a judgement based on previous years expenditure increased due to more services now in scope.

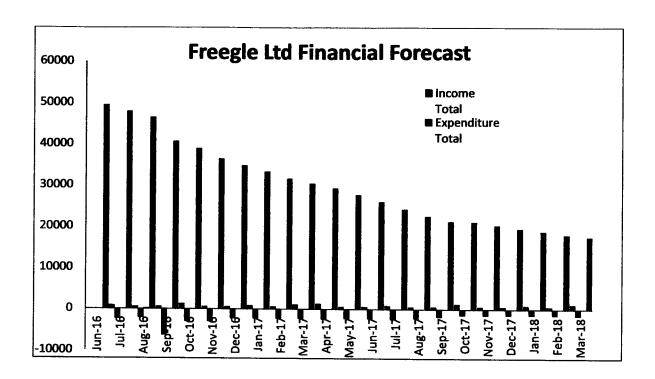

Board Expenses: these are expense that are approved by the board for activities such as attending meeting with DEFRA, representation at Waste and Re-use conferences and meetings with potential collaboration partners for the platform. The forecast is based upon a last 5 month average.

Other: This covers all other occasional expenditure such as small amounts of admin (postage), annual Insurance and one offs to cover any cost the board assigns to events such as Freestock attendance assistance.

Overall position

Freegle is spending significantly more than it has done historically on services to support future online usage (Platform & Social Media) and attempt to expand its volunteer base. Over the forecast 21 months this will see just over £49,000 spent. This will still leave Freegle with a similar balance to the last accounts for Freegle UK for Financial Year 15 of nearly £18,000. Therefore as Freegle progresses through this forecast period it will need to attract increased income or look to reduce its long term service costs.
