- (r) **Energy performance:**
 - (i) carry out any energy efficiency improvements necessary, or take any other steps necessary, to ensure that at all times each part of its Mortgaged Property which is designed to be let can be let or can continue to be let without breaching any applicable laws or regulations in respect of minimum levels of energy efficiency for properties; and
 - (ii) promptly following a request by the Security Trustee, written confirmation from the Borrower that either a current energy performance certificate is in place in respect of each Property to be charged or that an energy performance certificate is not required under any applicable law or regulation,

provided that nothing in this clause 6.2 shall require or oblige the Chargor to do or procure to be done anything which is inconsistent with, or contrary to, the terms of any lease or leases under which the Chargor holds any part or parts of the Mortgaged Property.

6.3 Negative pledge and disposals

- (a) The Chargor shall not create or permit to subsist any Security Interest on any of the Security Assets or any income derived therefrom save as permitted under the terms of the Relevant Documents.
- (b) The Chargor shall not sell, transfer, grant or lease or otherwise dispose of all or any part of the Security Assets or any income derived therefrom save as permitted under the Security Trust Deed or the Relevant Documents.

7 Power to remedy

In case of default by the Chargor in repairing or keeping in repair or insuring the Mortgaged Property or any part thereof or in observing or performing any of the covenants or stipulations affecting the same, the Chargor will permit the Security Trustee or its agents and contractors to enter on the Mortgaged Property and to comply with or object to any notice served on the Chargor in respect of the Mortgaged Property and to effect such repairs or insurance or

generally do such things or pay all such costs, charges and expenses as the Security Trustee may reasonably consider necessary or desirable to prevent or remedy any breach of covenant or stipulation or to comply with or object to any notice. The Chargor will indemnify and keep the Security Trustee indemnified against all losses, costs, charges and expenses properly incurred in connection with the exercise of the powers contained in this clause 7.

8 When security becomes enforceable

The security hereby conferred shall become immediately enforceable and the power of sale and other powers conferred by section 101 of the Law of Property Act 1925 as varied or amended by this Deed shall be immediately exercisable upon and after an Enforcement Event has occurred and is continuing (and has not been remedied within any applicable grace period). After the security constituted hereby has become enforceable, the Security Trustee may enforce all or any part of such security (at the times, in the manner and on the terms it thinks fit) and take possession of and hold or dispose of all or any part of such security subject to the terms of the Relevant Documents.

9 Enforcement of security

For the purposes of all powers implied by statute the Secured Obligations shall be deemed to have become due and payable on the date hereof and section 93 of the Law of Property Act 1925 (restricting the right of consolidation) and section 103 of the Law of Property Act 1925 (restricting the power of sale) shall not apply to this security. The statutory powers of leasing conferred on the Security Trustee shall be extended so as to authorise the Security Trustee to lease, make agreements for leases, accept surrenders of leases and grant options as the Security Trustee shall think fit and without the need to comply with any of the provisions of sections 99 and 100 of that Act.

10 Receiver

10.1 Appointment of a Receiver

- (a) At any time after this security becomes enforceable or if the Chargor so requests the Security Trustee in writing at any time, the Security Trustee may without further notice appoint under seal or in writing under its hand any one or more qualified persons to be a Receiver of all or any part of the Security Assets in like manner in every respect as if the Security Trustee had become entitled under the Law of Property Act 1925 to exercise the power of sale thereby conferred.
- (b) In this clause 10, **qualified person** means a person who, under the Insolvency Act 1986, is qualified to act as a Receiver of the property of any company with respect to which he is appointed.

10.2 Powers of a Receiver

In addition to those conferred by the Law of Property Act 1925 on any Receiver appointed under that Act, every Receiver appointed in accordance with clause 10.1 shall have and be entitled to exercise all of the powers set out below. The powers referred to above are (in each case to the extent permitted by law):

- (a) **Take possession:** to take immediate possession of, get in and collect the Security Assets or any part thereof;
- (b) **Protection of assets:** to make and effect all repairs and Insurances and do all other acts which the Chargor might do in the ordinary conduct of its business as well for the protection as for the improvement of the Security Assets and to commence and/or complete any building operations on the Mortgaged Property and to apply for and maintain any planning permissions, building regulation approvals and any other

- (c) **Borrow money:** for the purpose of exercising any of the powers, authorities and discretions conferred on him by or pursuant to this Deed and/or of defraying any costs, charges, losses or expenses (including his remuneration) which shall be incurred by him in the exercise thereof or for any other purpose, to raise and borrow money either unsecured or on the security of the Security Assets or any part thereof either in priority to the security constituted by this Deed or otherwise and generally on such terms and conditions as he may think fit and no person lending such money shall be concerned to enquire as to the propriety or purpose of the exercise of such power or to see to the application of any money so raised or borrowed;
- (d) **Sell assets:** to sell, exchange, convert into money and realise all or any part of the Security Assets by public auction or private contract and generally in such manner and on such terms as he shall think proper. Without prejudice to the generality of the foregoing he may do any of these things for a consideration consisting of cash, debentures or other obligations, shares, stock or other valuable consideration and any such consideration may be payable in a lump sum or by instalments spread over such period as he may think fit. Fixtures, other than landlords fixtures, may be severed and sold separately from the property containing them without the consent of the Chargor;
- (e) **Leases:** to let all or any part of the Security Assets for such term and at such rent (with or without a premium) as he may think proper and to accept a surrender of any lease or tenancy thereof on such terms as he may think fit (including the payment of money to a lessee or tenant on a surrender);
- (f) **Compromise:** to settle, adjust, refer to arbitration, compromise and arrange any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the Chargor in relation to the Security Assets or any part thereof;
- (g) **Legal actions:** to bring, prosecute, enforce, defend and abandon all such actions, suits and proceedings in relation to the Security Assets or any part thereof as may seem to him to be expedient;
- (h) **Receipts:** to give valid receipts for all monies and execute all assurances and things which may be proper or desirable for realising the Security Assets;
- (i) **Insolvency Act 1986:**
 - (i) all the powers (as varied and extended by the provisions of this Deed) conferred by the Insolvency Act 1986 on mortgagees in possession, Administrators, Receivers and Administrative Receivers (each as defined therein); and
 - (ii) to do all such other acts and things as any Receiver may consider desirable or necessary for realising the Security Assets or any part thereof or incidental or conducive to any of the matters, powers or authorities conferred on a Receiver under or by virtue of this Deed and to exercise in relation to the Security Assets or any part thereof all such powers, authorities and things as he would be capable of exercising if he were the absolute beneficial owner of the same and to use the name of the Chargor for all or any of such purposes;
- (j) **Building work:** to demolish, alter, improve, develop, complete, construct, modify or refurbish the whole or any part of the Mortgaged Property and the Fixtures thereon and to complete or undertake or concur in the completion or undertaking of any approved development (with or without modification) and any other project in which the Chargor was concerned or interested in prior to his appointment being a project for the

demolition, alteration, improvement, development, completion, construction, modification, rebuilding or reinstatement, refurbishment or repair of the Mortgaged Property (or any part thereof) and the Fixtures and in particular (without prejudice to the generality of the foregoing) to carry out and complete such approved development;

- (k) **Repairs:** to undertake, effect or complete any work of repair, maintenance, modification, redecoration, improvement, fitting out and furnishing of the Mortgaged Property or any part thereof;
- (l) **Planning and environment:** to apply for and obtain any planning permissions, building regulation approvals, environmental permits and any other permissions, consents or licences in relation to the Security Assets or any part thereof;
- (m) **Services:** to provide all services (including, without limitation, heating, lighting and cleansing) which may be deemed expedient in relation to the occupation or management of the Mortgaged Property;
- (n) **Contracts:** to enter into, perform, repudiate, rescind, vary, modify, assign, sub-let or novate any contract or agreement, option agreement, agreement for lease, building contract or professional appointment or otherwise for or which relates in any way to the Security Assets and to appoint, hire and employ and remunerate such contractors, advisers, professionals, agents, servants, attendants, managers, officers, workmen and others upon such terms and at such salaries, fees or remuneration and generally in such manner as he shall think fit and to discharge such persons;
- (o) **Acquire additional property:** to acquire any interest in any real or personal property which he may consider necessary or desirable to acquire in order to maintain or enhance the value of the Security Assets or any part thereof and to grant or surrender, easements, covenants and licences and to make exchanges and to enter into any agreements for the revision of boundaries; and
- (p) **General powers:** to do all such other acts and things as he may consider necessary or desirable for realising the Security Assets or any part thereof or incidental or conducive to any of the matters, powers or authorities conferred on a Receiver under or by virtue of this Deed, to exercise in relation to the Security Assets or any part thereof all such powers, authorities and things as he would be capable of exercising if he were the absolute beneficial owner of the same and to use the name of the Chargor for all or any of such purposes.

10.3 Removal and remuneration

The Security Trustee may from time to time by writing under its hand (subject to any requirement for an order of the court in the case of an administrative receiver) remove any Receiver appointed by it and may, whenever it may deem it expedient, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated and may from time to time fix the remuneration of any Receiver appointed by it. The Security Trustee will consider any request from the Chargor to remove a Receiver provided the Chargor can show, to the reasonable satisfaction of the Security Trustee, that failure to remove such Receiver would be prejudicial to the proper realisation or disposal of the Chargor's assets or that the specific Receiver in carrying out his appointment hereunder (and not, for the avoidance of doubt, the actual appointment of any Receiver), is prejudicing the Chargor's registration with the Social Housing Regulator.

10.4 Security Trustee may exercise

To the fullest extent permitted by law, all or any of the powers, authorities and discretions which are conferred by this Deed (either expressly or impliedly) upon a Receiver of the Security Assets may be exercised after the security hereby created becomes enforceable by the Security Trustee in relation to the whole of such Security Assets or any part thereof without first

appointing a Receiver of such property or any part thereof or notwithstanding the appointment of a Receiver of such property or any part thereof.

11 Application of proceeds

Any monies received by the Security Trustee or by any Receiver appointed by it pursuant to this Deed and/or under the powers hereby conferred shall, after the security hereby constituted shall have become enforceable but subject to the payment of any claims having priority to this security and to the Security Trustee's and such Receiver's rights under clause 10 (Receiver) be applied by the Security Trustee in accordance with clause 7 (Application of Proceeds) of the Security Trust Deed.

12 No liability as mortgagee in possession

The Security Trustee shall not nor shall any Receiver appointed as aforesaid by reason of it or the Receiver entering into possession of the Security Assets or any part thereof be liable to account as mortgagee in possession or be liable for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable. Every Receiver duly appointed by the Security Trustee under the powers in that behalf herein contained shall be deemed to be the agent of the Chargor for all purposes and shall as such agent for all purposes be deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Law of Property Act 1925. The Chargor alone shall be responsible for his contracts, engagements, acts, omissions, defaults and losses, liabilities incurred by him and for the payment of his remuneration, and neither the Security Trustee nor any Beneficiary shall incur any liability therefor (either to the Chargor or to any other person whatsoever) by reason of the Security Trustee's making his appointment as such Receiver or for any other reason whatsoever. Every such Receiver and the Security Trustee shall be entitled to all the rights, powers, privileges and immunities by such Act conferred on mortgagees and receivers when such receivers have been duly appointed under such Act but so that section 103 of that Act shall not apply.

13 Protection of third parties

No purchaser, mortgagee or other person or company dealing with the Security Trustee or the Receiver or its or his agents shall be concerned to enquire whether the Secured Obligations have become payable or whether any power which the Receiver is purporting to exercise has become exercisable or whether any money remains due under the Relevant Documents or to see to the application of any money paid to the Security Trustee or to such Receiver.

14 Expenses

All costs, charges and expenses properly incurred and all payments made by the Security Trustee or any Receiver appointed hereunder in the lawful exercise of the powers hereby conferred whether or not occasioned by any act, neglect or default of the Chargor shall carry interest (as well after as before judgment) at a rate equal to 2% per annum over the highest interest rate for the time being payable under any of the Relevant Documents from the date of the same being incurred or becoming payable by the Chargor until the date the same are unconditionally and irrevocably paid and discharged in full. The amount of all such costs, charges, expenses and payments and all such interest thereon and all remuneration payable hereunder shall be payable by the Chargor on demand in accordance with the Security Trust Deed.

15 Indemnity

The Security Trustee and the Relevant Beneficiaries and every Receiver, attorney, manager, agent or other person appointed by the Security Trustee hereunder shall be entitled to be indemnified out of the Security Assets in respect of all liabilities and expenses properly incurred by them in the execution or purported execution of any of the rights, powers, authorities or discretions vested in them pursuant hereto and against all actions, proceedings, costs, claims

and demands in respect of any matter or thing done or omitted in any way relating to the Security Assets and the Security Trustee, the Relevant Beneficiaries and any Receiver may retain and pay all sums in respect of the same out of any monies received under the powers hereby conferred.

16 Delegation by the Security Trustee and Receiver

The Security Trustee may at any time and from time to time delegate by power of attorney or in any other manner to any person or persons all or any of the rights, powers, authorities and discretions which are for the time being exercisable by the Security Trustee or any Receiver under this Deed in relation to the Security Assets or any part thereof. Any such delegation may be made upon such terms and subject to such regulations as the Security Trustee or any Receiver may think fit. Neither the Security Trustee nor any Receiver shall be in any way liable or responsible to the Chargor for any loss or damage arising from any act, default, omission or misconduct on the part of any such delegate or sub-delegate (provided it acted properly in the appointment of the same).

17 Further assurances

17.1 Statutory covenant

The obligations of the Chargor set out in clause 17.2 shall be in addition to and not in substitution for the covenants for further assurance deemed to be included herein by virtue of section 2(1)(b) of the Law of Property (Miscellaneous Provisions) Act 1994.

17.2 General

The Chargor shall at its own expense execute and do all such assurances, acts and things as the Security Trustee may require for perfecting or protecting the security intended to be created hereby over the Security Assets or any part thereof or for facilitating the realisation of the Security Assets or any part thereof and in the exercise of all rights, powers, authorities and discretions vested in the Security Trustee or any Receiver of the Security Assets or any part thereof or in any such delegate or sub-delegate as aforesaid. To that intent, the Chargor shall in particular execute all transfers, conveyances, assignments (whether legal or equitable) and assurances of such property whether to the Security Trustee or to its nominees and give all notices, orders and directions and make all registrations which the Security Trustee may reasonably think necessary and obtain all necessary consents to procure the registration of this Deed at the Land Registry.

17.3 Legal charge

Without prejudice to the generality of clauses 17.1 and 17.2, the Chargor will forthwith at the request of the Security Trustee execute a legal mortgage, charge or assignment over all or any of the Security Assets subject to or intended to be subject to any fixed security hereby created in favour of the Security Trustee (as trustee as aforesaid) in such form as the Security Trustee may reasonably require.

17.4 Consents

The Chargor shall use all reasonable endeavours to obtain (in form and content satisfactory to the Security Trustee) as soon as possible any consents necessary to enable the assets of the Chargor purported to be so charged or assigned to be the subject of an effective fixed charge or assignment pursuant to clause 3 (Fixed charges) and, immediately upon obtaining any such consent, the asset concerned shall become subject to such security and the Chargor shall promptly deliver a copy of each consent to the Security Trustee.

17.5 Implied covenants for title

The obligations of the Chargor under this Deed shall be in addition to the covenants for title deemed to be included in this Deed by virtue of Part 1 of the Law of Property (Miscellaneous Provisions) Act 1994.

18 Redemption of prior mortgages

The Security Trustee may, at any time after the security hereby constituted has become enforceable, redeem any prior Security Interest against the Security Assets or any part thereof or procure the transfer thereof to themselves and may settle and pass the accounts of the prior mortgagee, chargee or encumbrancer. Any accounts so settled and passed shall be conclusive and binding on the Chargor save for manifest error. All principal monies, interest, costs, charges and expenses of and incidental to such redemption and transfer shall be paid by the Chargor to the Security Trustee on demand.

19 Power of attorney

19.1 Appointment

The Chargor hereby by way of security and in order more fully to secure the performance of its obligations hereunder irrevocably appoints the Security Trustee and every Receiver of the Security Assets or any part thereof appointed hereunder and every such delegate or sub-delegate as aforesaid to be its attorney (with full power of substitution) acting severally, and on its behalf and in its name or otherwise (at any time after the occurrence of an Enforcement Event which is continuing) to execute and do all such assurances, acts and things which the Chargor ought to do under the covenants and provisions contained in this Deed (including, without limitation, to make any demand upon or to give any notice or receipt to any person owing monies to the Chargor and to execute and deliver any charges, legal mortgages, assignments or other security and any transfers of securities) and generally in its name and on its behalf to exercise all or any of the rights, powers, authorities and discretions conferred by or pursuant to this Deed or by statute on the Security Trustee or any such Receiver, delegate or sub delegate and (without prejudice to the generality of the foregoing) to seal and deliver and otherwise perfect any deed, assurance, agreement, instrument or act which it or he may reasonably deem proper in or for the purpose of exercising any of such rights, powers, authorities and discretions.

19.2 Ratification

The Chargor hereby ratifies and confirms and agrees to ratify and confirm whatever any such attorney as is mentioned in clause 19.1 shall do or purport to do in good faith in the exercise or purported exercise of all or any of the rights, powers, authorities and discretions referred to in such.

20 New accounts

If the Security Trustee or any Beneficiary receives or is deemed to be affected by notice whether actual or constructive of any subsequent charge or other interest affecting any part of the Security Assets and/or the proceeds of sale thereof, the Security Trustee or such Beneficiary may open a new account or accounts with the Chargor. If the Security Trustee or such Beneficiary (as the case may be) does not open a new account it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice and as from that time all payments made to the Security Trustee or such Beneficiary shall be credited or be treated as having been credited to the new account and shall not operate to reduce the amount for which this Deed is security.

21 Stamp duties

The Chargor shall pay and, forthwith on demand, indemnify the Security Trustee and each Beneficiary against any liability it incurs in respect of any stamp, registration and similar Tax which is or becomes payable in connection with the entry into, performance or enforcement of this Deed.

22 Perfection of security

The Chargor shall be bound by and hereby irrevocably authorises the Security Trustee to execute on its behalf any document required to perfect the security granted to the Beneficiaries pursuant to the Relevant Documents.

23 Waivers, remedies cumulative

23.1 The rights of the Security Trustee and each Beneficiary under this Deed:

- (a) may be exercised as often as necessary;
- (b) are cumulative and not exclusive of its rights under general law; and
- (c) may be waived only in writing and specifically.

Delay in exercising or non-exercise of any such right is not a waiver of that right.

23.2 The Security Trustee may waive any breach by the Chargor of any of the Chargor's obligations under the Relevant Documents.

24 Set-off

The Security Trustee and each Beneficiary may (to the extent that the same is beneficially owned by it) set-off any matured obligation due from the Chargor under the Relevant Documents against any matured obligation owed by the Security Trustee or such Beneficiary (as the case may be) to the Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Security Trustee or such Beneficiary (as the case may be) may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

25 Time deposits

Without prejudice to clause 24 (Set-off), if any time deposit matures on any account the Chargor has with the Security Trustee or any Relevant Beneficiary at a time within the Security Period when:

- (a) this security has become enforceable; and
- (b) no amount of the Secured Obligations is due and payable,

such time deposit shall automatically be renewed for such further maturity as the Security Trustee or such Beneficiary in its absolute discretion considers appropriate unless the Security Trustee or such Beneficiary (as the case may be) otherwise agrees in writing.

26 Severability

If a provision of this Deed is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect:

- (a) the legality, validity or enforceability in that jurisdiction of any other provision of this Deed; or
- (b) the legality, validity or enforceability in any other jurisdiction of that or any other provision of this Deed.

27 Counterparts

This Deed may be executed in any number of counterparts and this will have the same effect as if the signatures on the counterparts were on a single copy of this Deed.

- (c) Any such electronic communication as specified in clause 28.3(a) will be effective only when actually received (or made available) in readable form, and in the case of any electronic communication made to the Security Trustee only if it is addressed in such a manner as the Security Trustee shall specify for this purpose.

- (c) For the purposes of the Land Registration Rules 2003 and section 49(3) of the Land Registration Act 2002, the Chargor hereby consents to the lodgement at the Land Registry of an application by or on behalf of the Security Trustee for the entry of a note of the obligation to make further advances on the Charges Register of any registered land forming part of the Mortgaged Property.
