7.1 Condition for Registration

- ☐ Co-operative society
- ☒ Community Benefits society

Community benefit societies must answer the following questions in relation to the financial year covered by this return.

7B.1 What is the business of the society?

For example, did you provide social housing, run an amateur sports club etc.

We are a Supporters Organisation run by our members to develop a constructive relationship between Newcastle United Football Club and its supporters and the community it serves.

7B.2 Please describe the benefits to the community the society delivered?

Here we are looking to see what the benefits to the community were. Community can be said to be the community at large. For example, did you relieve poverty or homelessness through the provision of social housing.

We provide the supporters of NUFC a democratic and representative voice in the running of Newcastle United F.C.

7B.3 Please describe how the society's business delivered these benefits?

The business of the society must be conducted for the benefit of the community. Please describe how the society's business (as described in answer to question 7B.1) provided benefit to the community.

We attend regular meetings with representatives of NUFC to raise the specific concerns of the fans on issues like Ticketing, Match Day experience, and the Strategic Direction of the Club. We are also members of the Football Supporters Association, and through them attend meetings with the Premier League.

7B.4 Did the society work with a specific community, and if so, please describe it here?

For instance, were the society's activities confined to a specific location; or to a specific group of people? Please note that in serving the needs of any defined community, the society should not inhibit the benefit to the community at large.

We seek to represent the views of the supporters of Newcastle United F.C. by being an open membership organisation, accessible to all supporters of the club regardless of their age, income, ethnicity, gender, disability, sexuality or religious or moral belief.

7B.5 What did the society do with any surplus or profit?

For instance, did you pay a dividend to members (and if so, on what basis); did money get reinvested in the business; put into reserves; used for some other purpose?

We retain our surplus to further strengthen the organisation.
We have no plans to pay a dividend to members.

7B.6 Please state any significant commercial arrangements that the society has, or had, with any other organisation that could create, or be perceived as creating, a conflict of interest.

Please tell us how you ensured that any such conflict of interest did not prevent the society from acting for the benefit of the community.

None.
