You must answer the questions set out in in the next section of this form, depending on which condition for registration you meet.

If you are not sure which condition for registration applies to the society please see chapters 4 and 5 of our guidance [here](#).

## 7.1 Condition for Registration

- Co-operative society  
 Community Benefits society

Co-operative societies must answer the following questions in relation to the financial year covered by this return.

### 7A.1 What is the business of the society?

For example, did you provide housing, manufacture goods, develop IT systems etc.

ABCUL is the leading Trade Association for credit unions in England, Scotland and Wales. It provides member credit unions with a range of services including legislative and regulatory lobbying, government representation, training and business development, organisational capacity and media links

### 7A.2 Please describe the members' common economic, social and cultural needs and aspirations.

In answering this question, please make sure it is clear what needs and aspirations members had in common.

The members of ABCUL exist to serve the member base within their respective field of membership/common bond areas. Each credit union will have primary objectives as follows:  
(a) the production of thrift among the members of the society by the accumulation of their savings;  
(b) the creation of sources of credit for the benefit of the members of the society at a fair

#### 7A.3 How did the society's business meet those needs and aspirations?

You have described the society's business answer to question 7A.1, and in question 7A.2 you have described the common needs and aspirations of members. Please now describe how during the year that business met those common needs and aspirations.

Members used the enquiry service to answer queries on a variety of legal, regulatory and operational queries relating to the management of credit unions. They were also able to access over 100 information guides and have access to a discussion forum. Members could access a variety of physical and, increasingly through the year, online meetings. These were held on a variety of topics to share information, promote best practice and support

#### 7A.4 How did members democratically control the society?

For example, did the members elect a board at an annual general meeting; did all members collectively run the society.

Members were able to put forward motions to the AGM, speak to them and vote on them. They also had opportunities to nominate and vote for candidates for the ABCUL Board. The Association was governed by a Board of Directors selected from the membership by the membership.

#### 7A.5 What did the society do with any surplus or profit?

For instance, did you pay a dividend to members (and if so, on what basis); did money get reinvested in the business; put into reserves; used for some other purpose?

Surplus was transferred to General Funds, not distributed to members. One of the objectives of the Association is to build reserves equal to 6 months running costs

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ASSOCIATION OF BRITISH CREDIT UNIONS LIMITED

### Opinion

We have audited the consolidated financial statements of the Association of British Credit Unions Limited (the "Association") for the year ended 30 September 2020, which comprise the Consolidated Statement of Income and Expenditure, the Consolidated Balance Sheet, the Consolidated Cash Flow Statement and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group and Association's affairs as at 30 September 2020 and of the group's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 21 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or Association's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# ASSOCIATION OF BRITISH CREDIT UNIONS LIMITED FOR THE YEAR ENDED 30 SEPTEMBER 2020

## INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF ASSOCIATION OF BRITISH CREDIT UNIONS LIMITED

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- a satisfactory system of controls over transactions has not been maintained; or
- the Society has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account; or
- we have not received all the information and explanations we require for our audit.

### Responsibilities of Directors

As explained more fully in the Committee of management responsibilities statement on page 3, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Board Members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the group's and the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

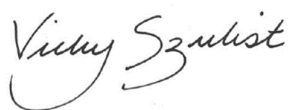

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditor's report.

### Use of our report

This report is made solely to the Association's members, as a body, in accordance with Section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the society and the society's members as a body, for our audit work, for this report, or for the opinions we have formed.

# ASSOCIATION OF BRITISH CREDIT UNIONS LIMITED FOR THE YEAR ENDED 30 SEPTEMBER 2020

## NOTES TO THE FINANCIAL STATEMENTS

### 1. Accounting Policies

#### General information

Association of British Credit Unions Limited is a society registered under the Co-operative and Community Benefit Societies Act 2014. The Association's registered number is IP23136R. The registered office is Holyoake House, Hanover Street, Manchester, M60 0AS.

The principal activity of the Association is to act as the trade body for credit unions within England, Scotland and Wales.

#### Accounting convention

These financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies, and in accordance with Section 1A of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime, except where exemptions are available from the Co-operative and Community Benefit Societies Act 2014.

The following principal accounting policies have been applied:

#### Going concern

After reviewing the Association's forecasts and projections, the Directors have a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future. The Association therefore continues to adopt the going concern basis in preparing its financial statements.

#### Fixed Assets and depreciation

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Banking services	over the life of the contract – 20% per year
Furniture, fittings and equipment	20% per year
Computer equipment	33.3% per year

#### Stock

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

#### Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the company's statement of financial position when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### (a) Basic financial assets

Basic financial assets represents stock, debtors and cash and bank balances, and these are initially measured at transaction price including transaction costs. At 30 September 2020, the Association had only financial assets classified as basic financial instruments.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

##### **Equity instruments**

Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

##### **Leases**

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

Designated funds are funds set aside by the Directors out of general funds for specific future purposes or projects.

All financial transactions are processed centrally, from ring-fenced allocations of dues for each forum. Any unspent allocation is carried forward for use in future periods.

##### **Income recognition**

Members' Dues and Insurance Endorsements are recognised as income from the date that they fall due for payment to the Association.

Income from Grant funded projects is recognised when associated eligible expenditure is incurred by the Association, under the terms of the particular grant, and after allowing for any amounts refundable in respect of the current or prior years.

## NOTES TO THE FINANCIAL STATEMENTS

### 15. Related party transactions

At 30 September 2020, the Association owed The Credit Union Foundation (CUF), a company under common control, an amount of £nil (2019: £1,520) which is included within trade creditors.

During the year the Association made sales to and purchases from CUF amounting to £9,421 (2019: £5,581) and £8,292 (£2019: £6,556) respectively.

Each year the ABCUL board and The Credit Union Foundation Board agree a maximum budgeted amount of staffing resource that the ABCUL Board agrees it will donate to the Credit Union Foundation. The amount of this resource is monitored at least quarterly through the Foundation accounts.

During the year, £29,884 of CUF staff time was absorbed by ABCUL (2019: £26,603). ABCUL is happy to absorb this staff time due to the benefits it receives as a result of the products, services and programmes the Foundation has and continues to develop for not only ABCUL members but the broader credit union movement. Examples of this include but are not limited to - ABCUL Academy, ABCUL Insight, CU Futures and higher attendance at ABCUL AGM.

Due to the nature of the Association, being a central service for other credit unions, there are numerous transactions with credit unions in which some of the Directors are associated. These have been undertaken in accordance with the Association's normal business terms and at arm's length. On this basis we have not considered it necessary to detail any of these transactions.
