This document confirms that the date on which the above society's financial year ends has changed. The society's financial year will now end on 30 September each year.

Date: **20 September 2021**

Change Financial Year End form

Society Name: Ashbourne Road District Allotment Association Limited

Society Num: 6237 R

Societies registered under the Co-operative and Community Benefit Societies Act 2014 can use this form to notify us of a change to the date on which their current or future year of account will end.

We will review the notification and confirm whether it is valid. Please note – societies can only change the end-date of their current or future year of account. Societies cannot change a previous year-end date retrospectively.

Please note that this form, including any details provided on the form, will be made available to the public through the Mutuels Public Register.

3.1 Will this change shorten or extend your current financial year?

Shorten

Extend

3.3 On what day and month do you want your financial year to end?

For example: specifying 31 March below will mean that the society's current and future financial years will begin on 1 April and end on 31 March each year.

If you are changing your current year of account,

3.4 What is the reason for the change?

For example: specifying 31 March below will mean that the society's current and future financial years will begin on 1 April and end on 31 March each year.

Annual rent year has changed to 1st October to 30th September. As rent is the most significant income for the allotment association it makes sense that the financial year matches.
