For further information on the condition for registration, please see chapter 5 of our guidance [here](#).

Community benefit societies must answer the following questions in relation to the financial year covered by this return.

7B.1 What is the business of the society?

For example, did you provide social housing, run an amateur sports club etc.

The Community Land Trust is still working towards providing and managing housing but is still at the planning stage

7B.2 Please describe the benefits to the community the society delivered?

Here we are looking to see what the benefits to the community were. Community can be said to be the community at large. For example, did you relieve poverty or homelessness through the provision of social housing.

We are still at the planning stage and have yet to deliver on any housing

7B.3 Please describe how the society's business delivered these benefits?

The business of the society must be conducted for the benefit of the community. Please describe how the society's business (as described in answer to question 7B.1) provided benefit to the community.

The CLT has yet to complete its plans

7B.4 Did the society work with a specific community, and if so, please describe it here?

For instance, were the society's activities confined to a specific location; or to a specific group of people? Please note that in serving the needs of any defined community, the society should not inhibit the benefit to the community at large.

The trust is focused on Burcot and Clifton Hampden in Oxfordshire

7B.5 What did the society do with any surplus or profit?

For instance, did you pay a dividend to members (and if so, on what basis); did money get reinvested in the business; put into reserves; used for some other purpose?

No transactions have yet been made

7B.6 Please state any significant commercial arrangements that the society has, or had, with any other organisation that could create, or be perceived as creating, a conflict of interest.

Please tell us how you ensured that any such conflict of interest did not prevent the society from acting for the benefit of the community.
