All societies are registered meeting one of two conditions for registration. These are that the society is either:

- a bona fide co-operative society ('co-operative society'); or
- are conducting business for the benefit of the community ('community benefit society').

You must answer the questions set out in in the next section of this form, depending on which condition for registration you meet.

If you are not sure which condition for registration applies to the society please see chapters 4 and 5 of our guidance [here](#).

## 7.1 Condition for Registration

- ☐ Co-operative society
- ☒ Community Benefits society

Community benefit societies must answer the following questions in relation to the financial year covered by this return.

### 7B.1 What is the business of the society?

For example, did you provide social housing, run an amateur sports club etc.

The Society's aim to bring about fan ownership of Paisley based St Mirren Football Club and to keep it at the heart of the Paisley and Renfrewshire community.  
Our constitution is based on the model rules prepared by Supporters Direct in conjunction with FCA.

### 7B.2 Please describe the benefits to the community the society delivered?

Here we are looking to see what the benefits to the community were. Community can be said to be the community at large. For example, did you relieve poverty or homelessness through the provision of social housing.

Assistance to the Club's Youth Academy and Community Department.  
Funding of free match tickets for local disadvantaged groups and charities.  
Provision of pre match family entertainment.  
Assisting the Club's Community Trust with Festive Dinner event for local people who would otherwise spend Xmas day alone.

7B.3 Please describe how the society's business delivered these benefits?

The business of the society must be conducted for the benefit of the community. Please describe how the society's business (as described in answer to question 7B.1) provided benefit to the community.

A portion of members' subscriptions is placed into a "Discretionary Spend" account which is used to support the Club and its community related activities in accordance with members' wishes via quarterly ballots.

7B.4 Did the society work with a specific community, and if so, please describe it here?

For instance, were the society's activities confined to a specific location; or to a specific group of people? Please note that in serving the needs of any defined community, the society should not inhibit the benefit to the community at large.

The supporters of St Mirren Football Club and the local Paisley and Renfrewshire community which the Club serves.

7B.5 What did the society do with any surplus or profit?

For instance, did you pay a dividend to members (and if so, on what basis); did money get reinvested in the business; put into reserves; used for some other purpose?

Surpluses are being held in reserve until such times as they reach the target amount required to purchase the Club shares and achieve the Society's aim of fan ownership of St Mirren FC Ltd.

7B.6 Please state any significant commercial arrangements that the society has, or had, with any other organisation that could create, or be perceived as creating, a conflict of interest.

Please tell us how you ensured that any such conflict of interest did not prevent the society from acting for the benefit of the community.

The Society has now completed a partnership arrangement with local charity Kibble Group, which enables the Society to achieve fan ownership by the end of 2021 instead of the original target of 2026. This is due to Kibble Group purchasing a significant minority shareholding in St Mirren FC meaning that the Society can gain control of the club with fewer shares and therefore requires less time to raise the necessary funds.

Kibble Group already carries out a significant amount of work for the local community and shares the objectives of the Society in regard to the development of the community facilities and services offered by St Mirren FC. Both parties have signed a Shareholders Agreement which enshrines these objectives and prevents any conflict of interest from affecting these.

**Report of The Committee of Management**  
**For The Year Ended 30 November 2020**

The Committee of Management submit their report together with the financial statements of the society for the year ended 30 November 2020.

**Principal Activity and background information**

The society operates as St Mirren Independent Supporters Association (SMiSA) and is a non-profit making concern. It's principal objective is to ensure that St Mirren Football Club Limited remains in the ownership of and is run for the benefit of the community it serves.

The society is registered with the Financial Conduct Authority under the Co-operative and Communities Benefit Societies Act 2014

**Results**

The surplus for the year was £138,232 (2019 - £139,774) and the reserves at the year end amounted to £809,345 (2019 - £671,113)

**Review and Future Developments**

Despite the difficult environment created by the COVID-19 pandemic, we are pleased to be able to report that member numbers and subscription income held up well during the latter part of the financial year.

Our substantial cash reserves have, as a precaution, been spread around a number of different banks during the year, as well as enabling us to take advantage of slightly better interest rates.

We are now well on the way to completing our objective of being able to purchase sufficient shares in St Mirren Football Club Ltd to become the majority shareholder and bring the club into fan ownership.

In addition, due to the overwhelming approval given by SMiSA members to allow Paisley based social care charity Kibble to purchase some of Mr Scott's shares in February 2020, the number of shares required for SMiSA to achieve the majority shareholding in the club is greatly reduced, and as a result this is now on track to take place in the summer of 2021, instead of the original target of 2026.

The Committee are currently planning ahead in preparation for this, in partnership with Kibble and club representatives.

**Committee of Management**

The members of the committee of management, who are all directors of the society for the purposes of company law, who served during the year are as detailed on page 1.

**Audit**

The members have passed the necessary resolution under Section 84 of the Co-operative and Community Benefit Societies Act 2014 to disapply Section 83 of said Act requiring the society to appoint an auditor for the year under review.

**The 1877 Society Limited**

**Report of The Committee of Management (Continued)**

**For The Year Ended 30 November 2020**

**Directors' Responsibilities**

The law applicable to companies in Scotland requires the directors to prepare financial statements for each financial period, which give a true and fair view of the state of affairs of the society's financial activities during the year and of its financial position at the end of the year.

In preparing these financial statements the Directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards and statement of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the society will continue in operational existence

This report was approved by the directors on 5 April 2021 and signed on its behalf by:

Alan Quinn  
Secretary

**Independent Accountants' Report under Section 85 of the Co-operative and  
Community Benefit Societies Act 2014**

We report to the members on the unaudited financial statements for the year ended 30 November 2020 set out on pages 6 to 11.

**Respective Responsibilities of Officers and Reporting Accountants**

The society's officers are responsible for the preparation of the financial statements, and they consider that the society is entitled to opt out of an audit. It is our responsibility to carry out procedures designed to enable us to report our opinion.

This report is made to the society's members, as a body, in accordance with the terms of our engagement. Our work has been undertaken so that we might compile the financial statements that we have been engaged to compile, report to the society's members that we have done so, and state those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the society and the society's members, as a body, for our work or for this report.

**Basis of Opinion**

Our work was conducted in accordance with the Statements of Standards for Reporting Accountants, and so our procedures consisted of comparing the financial statements with the accounting records kept by the society, and making such limited enquiries of the officers of the society as we considered necessary for the purposes of this report. These procedures provide the only assurance expressed in our opinion.

**Opinion**

In our opinion:

- (a) The financial statements , including the revenue account and balance sheet, are in agreement with the accounting records kept by the society under s75 of the Co-operative and Community Benefit Societies Act 2014
- (b) Having regard only to, and on the basis of the information contained in those accounting records the revenue account and balance sheet comply with the requirements of the Co-operative and Community Benefit Societies Act 2014; and
- (c) For the preceding year of account, the financial criteria for the exercise of the power conferred by section 84 were met in relation to the year.
