Community benefit society

1.19 Who are the community the society benefited?

We are a football supporters trust, registered with Supporters Direct. Our members are predominantly Yeovil Town Football Club supporters. They mainly live in South Somerset, but we do have a small number of members from other parts of England and further afield.

Members join by paying an annual fee, and membership is available to anyone who is interested.

1.20 How did the society benefit that community during the year?

Our mission is to support and challenge the owners of Yeovill Town Football Club to ensure the views and concerns of supporters are represented at the highest level of the organisation. Over the last year we have challenged the owners on the financial status and security of the Football Club, secured a community benefit order over the stadium and surrounding land, surveyed members to understand their concerns and presented these to the Club and participated in various promotional and fund-raising activities.

We have a presence near the ground on matchdays to enable members and non-members to speak to us, issue newsletters and regular social media updates, and hold meetings and forums to communicate with members.

1.21 How did the society use any surplus/profit?

We have used some of our funds to sponsor events at the Football Club, and have made donations to local charities. At the moment most of the surplus generated by the Trust remains in our bank account. The long term aim is to use some or all of this surplus to purchase shares in the Club, or participate in any potential take over of the Club.

Please use separate sheets of paper if you need more space (see section 5 above).
